FYI: MAX BAYLISS AWARD

The 'Max Bayliss Award' is a Rotary Club of Milton-Ulladulla's Award that was created in honour of Max Bayliss, a most community minded person helping many organisations including Rotary with his expertise and his personable nature. Max gave his time freely to help in local events by way of MC (master of ceremonies), compare and auctioneer, he was a dearly loved and respected member of our community. Unfortunately, Max was taken from us too soon and some members of Rotary felt it appropriate to perpetuate the memory of Max by creating an award for a person in the local area who has made a significant contribution to the community.

Rotarians are invited to nominate an appropriate person and the committee for the Rotary and Community Business Awards chooses a candidate. The chosen nominee is then ratified by the Rotary Club Board. The Max Bayliss Award was first made in 2008.

In the past, the Award was incorporated into the Rotary Club of Milton-Ulladulla Community and Business Awards presentation evening, allowing the recipient to be recognised by a wider cross section of the community and receive the award along with other members of the community and business sectors.

Season's Greetings
