'ROTARY OPENS OPPORTUNITIES'

From Rotary Service and Engagement, Aug 2020 edition

As RI President Holger Knaack declared at the Rotary International Assembly earlier this year, Rotary isn't just a club for people to join, but rather an invitation to endless opportunities. *Rotary Opens Opportunities* — everything we do opens another opportunity for someone, somewhere, said Knaack. Rotary opens pathways for members to improve their lives and the lives of those they help through service projects.
