Quote for the day:

Good, Better, Best, never let it rest, till your good is better and your better is best – David Rees

End of report prepared by Yvonne Young, thank you Yvonne.

COVID SAFE face to face meetings, some guidelines.

COVID will remain with us for quite a while and we need to get use to the new COVID SAFE normal, particularly indoors, even with no locally acquired infections.

Hand hygiene, Physical distancing at all times

Till we are all vaccinated and or a treatment is found.

Hand sanitize on entry and exiting the Dunn Lewis Centre.

Temperature will be taken on arrival.

Please pay online \$25 or via Tap and Go when you arrive.

Have the right money, to avoid change handling.

The weekly attendance lists will be kept for contact tracing, as per NSW government regulations.

Please don't get to the Centre before 6:15pm.

Once you have checked in, have a seat and remain seated unless you need to go to the toilet, get a cup of coffee-tea or to get to the lectern.

No mingling, no touching, no hugging, no kissing nor singing of the National Anthem.

We all need to be COVID Marshals and do the right thing, use common sense and apply the FOUR WAY TEST.

No room for complacency, the Club and every member have a duty of care to each other.

We have, thanks to President Leonie, an approval reference number by the NSW Health to conduct our meetings in a COVID SAFE way at the Dunn Lewis Centre.

If you prefer to stay at home, you can join the meeting via Zoom.
