## 'SERVE TO CHANGE LIVES'

### RI PRESIDENT-ELECT ANNOUNCES 2021-22 PRESIDENTIAL THEME

**Extracts from an RI website article, by Ryan Hyland**

Incoming Rotary International President **Shekhar Mehta** urged members to become more involved in service projects, saying that caring for and serving others is the best way to live because it changes not only other people's lives, but also our own.

Mehta, a member of the **Rotary Club of Calcutta Mahanagar**, West Bengal, India, revealed the 2021-22 presidential theme, **Serve to Change Lives**, to incoming district governors on 1 February during the Rotary International Assembly. The assembly, a yearly training event for district governors- elect, was originally set to take place in Orlando, Florida, USA, but was held virtually because of the COVID-19 pandemic.

"Rotary kindled the spark within me to look beyond myself and embrace humanity," he said. "Service became a way of life for me and I, like many others, adopted the guiding philosophy that 'Service is the rent I pay for the space I occupy on this earth, and I want to be a good tenant of this earth.'"

Membership has hovered around 1.2 million for the past two decades. He challenged the incoming governors to be catalysts in their districts to help increase membership to 1.3 million by 1 July 2022. Mehta's Each One, Bring One initiative asks every member to bring one person to join Rotary within the next 17 months.
