Ken Scheller Award 2020

THE Ken Scheller Award recognises story contributions to *Rotary Down Under* of outstanding merit, best exemplifying the principles of Rotary.

It is named in honour of former RI Director and Vice President Ken Scheller, who was involved in *Rotary Down Under* from its very beginnings.

Ken's advocacy was vital in establishing official recognition of regional magazines, with *RDU* the first to gain this status. Sadly, Ken passed away in 1984 after a battle with cancer, but his passion for local stories lives on with this namesake annual award.

A mini router, which comes with the TIB kit, means it can also be accessed by any wi-fi enabled device for self-paced learning.
