Had a meeting with Ted Oberg in relation to putting our storage container on his property. An infinity lease agreement has been organised and also, we are able to build a carport off the container to store our trailers under.

It was indicated by Rob Powell that the club give some sort of Thankyou or recognition to Ted for his kind donation of the land for our storage container.

Club Service - Peter Still will be our guest next week from the Cancer House.

Almoner- Keith Bennett is receiving treatment. Masie Bennet is ok and also Margaret Dogherty is ok as well.

Guest Speakers from the 477 Ulladulla Fire Brigade were introduced by Leonie Corrin-Smith. **Mitch Butt and Tony Bewley.**

Mitch is very new to the brigade. He previously owned Bakers Delight and decided he needed a change. He now also works as an electrician as well as being a member for the brigade.

They are asking the club to help in the way of a donation of specialised night lights. These lights are extremely important when it comes to attending accidents at night. It was until we had a truck accident that they realised how important these lights would be. Also, every fire fighter needs an individual head torch. They are only supplied and a few, and there isn't enough to go around. So maybe some extra funding would be good to obtain these for each member of the brigade.

There are 18 firefighter and 2 trucks that service an area from Termeil to Sussex Inlet turn off.

They work alongside our RFS. They also specialise in cliff rescues. It is estimated that 2 sets of lights would amount to \$1500.00. A small price to pay for such a valued resource in our local area.

L-R; Tony Bewley, Deputy Captain, President Tony Fondacaro and Mitch Butt, Fire Fighter

Thank you, Ali Tyquin, for the meeting's report.
