15 February 2022 meeting;

President Tony Fondacaro welcomed members and guest speaker Liam Jackson Head Brewer at Cupitt's Winery to the meeting.

President Tony thanked members who volunteered for the Bunnings BBQ on Sunday 13th February, a HUGE thank to Nathaniel Woodcock for assisting on Sunday at the BBQ, the BBQ raised \$236.80 for the Club.

With two upcoming events with RSA required, can members please let either Secretary Beck or himself know if they hold an RSA. With the increase of events if members don't hold an RSA and would like to have one, please let President Tony as he is trying to organise RSA course soon.

PP Wayne Fry gave a short report on the MHERV (Men's Health Education Rural Van) visit thanking members for assisting with MHERV visit including Dolphin's Motel Mollymook (Bernard Jones), Craig Saunders at Saunders Mensland and the Rotarian's Ian Tibbles, Geoff Johns, Rhondda Purtell, Jo Jones Beck Cameron (AKA Grant) and Ed Zonneveldt who volunteered at the van during its two-day visit.

Over 30 community members attended the van with a few being suggested to seek immediate medical attention. The van will continue its journey south before heading inland.

The van nurse Bill Power and his wife Debbie stated that it was an excellent turn out for the van and was surprised at how many Rotarians volunteered to man the van during its visit.

A huge thank you to PP Wayne for organising the MHERV visit and let's hope MHERV can visit again.

Vocational Director **Bernie Jones** informed members that work place visits are being organised for the near future. Work place visits are Ulladulla Ambulance Station, Ulladulla Fire Station, Marine Rescue and businesses in town.

è *Attendance officer Ed would like to remind members to apologise if they aren't attending, lately members haven't been apologising and not attending.*

Guest Speaker Liam Jackson from Cupitt's Winery spoke to members of the brewing process and handed around samples of barley and Hops (which smells) to members. Liam informed members that Cupitt's have been brewing craft beer at the winery since 2014. Liam spoke on his pass career as Mines' Surveyor.

Liam has been brewing for the past ten years starting at Cupitt's in 2017.

Liam went on explaining to members the process of brewing a craft beer. Liam informed members of the history of brewing beer which has been around for thousands of years.

Liam informed members that in times gone past drinking what we know as beer would have been better for you than drinking water.

Though the process and ingredients have changed over the centuries creating what we now know as beer. Liam explaining to members the different processes used to make the different variety of craft beer.

Brewing beer uses mainly grains including hops, oats, barley and lots of water, Liam explaining to members the water filtration in the brewing process and how grains are used to create the different varieties of beer.

Making beer undergo a number of processes to make it, members were fascinated in this process and hope to a visit to Cupitt's winery can be organised so members are able to view the making of craft beer in person.

Member's found Liam's talk very interesting and informative.
