

BULLETIN

meeting of 2nd August 2022
Volume 63 - Issue 4

August is Rotary's Membership and New Club Development month

President Rebecca Cameron (Beck) opened the meeting with a minute's silence to remember PP Keith Bennet who was a stalwart member until his health began to decline some months ago.

Evie was nominated to offer the Rotary toast (and copped a fine later for her effort); and Bill Harris toasted the English soccer result - possibly in sympathy as they went down to Hungary 0-4.

President Bec informed the members that it was Ian Tibbles' birthday and we all sang Happy Birthday (as we do). Debbie had come prepared with a cake and it was enjoyed by all after formalities concluded.

9 Announcements	PP Tony advised the changeover dinner now on 23 rd August at DLC.	

At the conclusion of the dinner, Beck gave an address outlining the governance changes mooted for our zone and district, referred to as **Regionalisation**. As near as we can decipher (the documents from RA are confusing, and unclear) the intention seems to be to remove all the district governors in zone 8 and replace them with a “**regional council**” comprised of elected representatives from areas of 10-25 clubs. Apparently this will be more efficient and help us grow our membership.

Zone 8 includes hundreds of clubs in Australia, New Zealand, American Samoa, Cook Islands, Fiji, French Polynesia, Kiribati, Nauru, New Caledonia, Norfolk Island, Papua New Guinea, Samoa, Solomon Islands, Timor Leste, Tonga and Vanuatu. How such a large body as this regional council will generate efficiencies is not explained.

A two-thirds majority of our members must vote in favour of the changes for them to move forward. The RCMU vote will then inform President Beck how she must vote in the zone, and a two thirds majority of all the clubs in the zone must vote in favour for the implementation of the changes on a trial basis.

[You can read all about it here](#) and the Board will investigate further and report to you when we know more.
