Workplace visit; 23 May 2023

PP Tony Fondacaro chaired the get-together at the Fire and Rescue, 477, with 12 members and 3 partners in attendance.

Geoff Johns announced that the money spinner raised \$376, it is now checked every three months.

Geoff asked for helpers for the Bunnings' BBQ.

Guy Porter thanked, Craig Cameron, Ross Wade, Tim Trescowthick, Julie Porter and himself for their help with the stage.

Almoner Bill Harris announced that Robin Cantrill is on the mend, Maisie Bennett is home, Rob Powell is doing well and our President Bernard is in bed sick.

Thank you, Tony Fondacaro for chairing the workplace visit, thank you Yvonne Young for organising the night, thank you to Ed Zonneveldt for cooking the sausages and onion to perfection and thank you to the Dunn Lewis Centre for preparing the salads, fruit platter and the apple crumble.

POSITIONS VACANT:

- Our attendance officer, Louise Garrett, will be away for a few weeks in June, a volunteer is needed to help during her absence.
- A secretary is needed for the 2023-24 year.
- Supporting the Environment Officer.

Workplace Visit; the team from the 477 Fire + Rescue NSW, Ulladulla, gave us a demonstration on how long it took to set up lights when they were needed and how long it takes them now to set up the new lights which our Club donated during Tony Fondacaro's year as President.

Back on the 3rd of August 2021, when Tony Bewley, Deputy Captain and Mitch Butt, Fire Fighter from 477, addressed the Club and we donated two sets of portable, battery operated, rechargeable lights that lasts for 6 hours.

Lights when needed; how it was done in the past and how it is done now with the donated lights, which do not need a generator nor extension leads. The old way took a few minutes to set up and the new donated lights take seconds to set up.

The 477 Rescue station get involved with cliff (vertical) rescues, road crashes, animal recues, industrial rescues and they assists ambulance officers when asked, Fire and Rescue is a job which requires strong a mental and physical attribute.

Message and photo, on the left, from Phil Brown; "Our 2007 Danish Youth Exchange student Karen Louise Clausen has just got married and we were fortunate enough to be invited. Such a lovely family and a great wedding."

A fun, friendship, educational, workplace visit night, enjoyed by all.
