Liza moved to this area 20 years ago, went to university, worked in group homes age care, centre link during the robodebt time and quitted that job, travelled overseas, went into designing and wanted to help people through politics.

Liza spoke on the time that her house at Bawley Point was in danger during the 2020 fires. Liza helped feeding the fires, and said that once you lose power that leads to end of communications, hence 20 percent of residence around her have now solar and batteries. Liza loves to help the community when she can as an MP and tries to be creative in doing so.

Liza is planning for the future to reopen the maternity ward at the Milton Hospital, as last month two birth took place on the side of the road between Milton and Nowra. Liza also spoke on the local bypass, SAS – UHS – UPS, land in Mollymook owned by the education department, and finished by asking the members because of lack of rain to be prepared for this coming summer.

The raffle was won by Craig Saunders.
